9. To discuss a request from Woolpit Action Group for a donation to their fighting fund and take any necessary action.

Due to the tragic death of James Clarke an agreement has been reached with the Clarke family and representatives to cease rendering at Rookery Farm from March 2011, WAG has now changed their request. They have raised a large amount from residents and would like to reimburse them in full. The group feel it would be appropriate if Woolpit PC along with other parishes picked up the expenses incurred for work carried out by their barrister. After discussion it was agreed that WPC feel it is inappropriate to commit public funds towards this as electors in Woolpit have made a considerable contribution over the years to Rookery Farm issues. Also those residents who wished to make a contribution will have done so to the letter of request from WAG delivered to households.

Mr Guyler rejoined the meeting at 8.55 p.m.
