# Coronavirus Emergency

Dear Resident,

The Covid-19 infection has been declared a pandemic and the government has announced measures which will affect all of us. In this emergency we would like to make sure that those who need help will receive it. To do so we need to identify those who need assistance and those who are willing to provide help. If you fall into either category please can you let us know by ticking the appropriate section below.

Please return the information to Woolpit Parish Council either by email at [woolpitcv@gmail.com](mailto:woolpitcv@gmail.com) or by arranging for the form to be dropped through the letter box at Woolpit Institute. If you have any questions, email the above or call 07740 780460.

All information you supply will only be used in this emergency.

Name

Address

Phone

email

I am in a vulnerable group or age group which may require support with:

- Collecting food or essential supplies
- Collecting my medication
- Other

I am aged 18 - 69 and willing to help with:

- Delivering groceries
